

BY-LAW NO. 18

A BY-LAW RELATING TO COIN-OPERATED AMUSEMENT DEVICES.

BE IT ENACTED by the Town Council of the Town of St. George as follows:

- 1) The term "coin-operated amusement device" as used herein means "amusement device" as defined in Section 9 1 (1) of the Municipalities Act, Acts of New Brunswick 1966 Chapter 20, but does not include a billiard, pool or bagatelle or pigeonhole table. Also the term does not include vending machines in which are not incorporated gaming or amusement features, nor does the term include any coin-operated mechanical musical devices.
- 2) A "proprietor" is hereby defined to be any person, firm corporation, partnership, association or club who, as the owner, lessee, or proprietor has under his or its control any establishment, place or premises in or at which such device is placed or kept for use or play, or on exhibition for the purpose of use or play.
- 3) No person, firm or corporation shall engage in the business of a proprietor of Coin-operated Amusement Devices as the terms are herein defined, without first having obtained the proper license therefor.
- 4) The license fee for each proprietor as herein defined shall be Fifteen Dollars (\$15.00) per year for each device used or played, or exhibited for use or play. All proprietor's license fees shall be payable annually in advance, provided that where application is made after the expiration of any portion of any license year a license may be issued for remainder thereof upon payment of a proportionate part of the annual fee. In no case shall any portion of said license fee be repaid to the licensee.

5) Application for license hereunder shall be filed in writing with the Town Clerk, on a form to be provided by the Town, and shall satisfy:

- a) the name and address of the applicant, and if a firm, corporation, partnership or association, the principal officers thereof and their addresses;
- b) the address of the premises where the licensed device or devices are to be operated, together with the character of the business as carried on at such place;
- c) the trade name and general description of the device or devices to be licensed, the name of the manufacturer and the serial number and the number of devices to be licensed.

The proper license fee shall accompany such application. Application for license hereunder shall be first referred by the Town Clerk to the Mayor and Council who shall make, or cause to be made, such investigation as they deem necessary. If the application is approved by the Mayor and Council, the license shall be issued by the Clerk, and the Clerk shall remit the fee to the Town Treasurer. If the license is denied, the fee shall be returned to the applicant. All licenses under this By-law shall expire on April 30 following their issuance. The license shall be posted in a conspicuous place in the establishment of the licensee. Such license shall be non-assignable and non-transferable, and in the case of the proprietor, shall apply only to the premises for which such license is issued.

6) In case a proprietor licensed under the provisions of this By-law desires, after the expiration of any portion of any licensed year, to increase the number of devices to be used or played, or exhibited for use or play in his establishment, he shall surrender his license to the Town Clerk who shall issue a new license showing the number of devices licensed

thereunder, upon payment of the proper license fee therefor.

7) Any proprietor who owns such device or devices at the time this By-law becomes effective shall file with the Town Clerk evidence of such ownership prior to the issuance of a license; and any proprietor purchasing a device or devices after the affective date of this By-law shall file with the Town Clerk evidence of ownership thereof before exhibiting or placing said device or devices for use or play.

8) No proprietor shall permit or allow any person under the age of Fourteen Years to operate or play any coin-operated amusement device as defined herein, unless accompanied by a parent or guardian.

9) The Council shall have the right to revoke any license issued hereunder for violation of any of the provisions of this By-law or if the licensee, or any person authorized by him to be in the licensed premises, is convicted of any offence under the Criminal Code of Canada or the Liquor Control Act.

10) Every person, firm or corporation, who carries on business without a valid and subsisting license as in this By-law required, is guilty of an offence and is liable on Summary Conviction to a fine of \$25.00 for every day that the offence continues, and in default of payment is liable to imprisonment in accordance with Subsection 31 (3) of the Summary Convictions Act 1966, C20 S198.
