

REQUEST FOR QUOTATIONS 2024-06 ROAD PAVING – ARENA STREET

The municipality of Eastern Charlotte invites respondents to submit a Request for Quotations for road paving area as follows:

Arena Street (Blacks Harbour)

- a. Approx. 125 meters running from Main Street to Connors Lane, in the community of Blacks Harbour.
- b. Padding & Paving
- c. Minimum Type “C” Asphalt with parking areas – approx. 2,900-3,100MT
- d. Shouldering, crush rock – approx. 80-100MT

All traffic safety measures are the responsibility of the contractor. The contractor will work with the municipality on scheduling of work and assist in ensuring that residents are advised of the work scheduled and possible traffic impacts.

Quality Control must be completed by the company's personnel. The contractor must provide asphalt log sheets to the municipality to ensure the accuracy in volumes provided.

Line painting and landscaping is not included.

Source of asphalt (asphalt plant) cannot be any further than 90km from paving area(s).

Quotations/Tenders must be quoted on as described for length, width and thickness on the attached sheet; and include all preparation work, sweeping and sub grading.

If needed, municipal staff are available to provide location verification of each area.

Lowest or any tender not necessarily accepted. Under the Province of New Brunswick's "Procurement Manual for Municipalities 2020", the Public Procurement Thresholds for Entities (Municipalities/Local Governments), tendering not required for construction services under \$302,900. The Procurement Manual for Municipalities has been updated to include changes that resulted from the updates to the Procurement Act and Regulation that came into force July 2, 2019 and the dissolution of the Atlantic Procurement Agreement on January 17, 2020.
